Reader Doc likes Karlee Adams and the way she confidently shows off her body.

A Few Thoughts

Dear *XL Girls*,

I'm glad you offer subscriptions now; no newsstands around carry your magazine, and it was hard to know when to phone in an order for the latest issue.

It was long overdue to see Karlee Adams on your pages again. It's nice to see a woman of her size who is in no way ashamed of her looks. Very proud, in fact, to judge by her photos. Ditto Monique.

Diana from May '10 (SP195) needs to get with the program. How long is she going to be shy about her assets other than her breasts?

Bessi from Feb. '10 (SP193) is so much better looking in that issue than in her earlier appearances. Was it her hair? Makeup? Hard to be sure, but it made a huge difference.

I am really not "down with" tattoos and piercings. Why Renee Ross (and others) would want to ruin a perfect body, I don't know, but I don't like it.

I get the impression that many of the models are not altogether forthcoming about their statistics. Do what you can to convince them that readers of a magazine like yours won't be turned off by a model who admits to weighing 250 pounds or more, or admits to having a hip measurement bigger than 50 inches. I don't fantasize much about women who play fast and loose with the truth.

And finally, do you ever get fiction submissions?–Doc, via email

Dear Doc,

Thanks for the input. We do occasionally get fiction submissions and run them every so often.

Super Plumpers

Dear *XL Girls*,

In response to your question in the Oct. '10 issue about the type of plumpers I like: Although I love all your beautiful, big women, I have to admit I enjoy the mid-sized plumpers like Maria Moore, Rose Valentina, Sienna Hills (oh, those hills), Taylor Stevens, Desire, Devin Taylor and my all-time, hands down favorite plumpers Samantha and Shugar (oh, don't get me started–I have some cream to go with that).

But oh my god–big, beautiful super plumpers like Monique, Wonder Tracy, Kountry Gal (loved her hardcore scene on the web), Glory Foxxx, Radka and Bessi Banek are the best. Their super-huge tits, big and soft bellies, wide and luscious asses–love the shots of those super-plump butts sticking up in the air–get me so hot. This is from a man who was strictly a big-boob lover. But now I just sink into those asses and cum all over them. They just look so soft and sexy. And they're built to take a pounding–from a cock, that is.

I love it when you have models like Samantha, Diana, Denise Davies, Sapphire, April McKenzie, Sunshine, Natalie Fiore, Eve Tyler and the rest getting bigger. Keep the super plumpers coming and cumming! I would love to see more pictures of Monique doing hardcore if possible or a girl-girl set. If not, solo photo spreads will do. Not to mention

Several readers wrote in to tell us they love super plumpers like Kountry Gal.

Hillary Hooterz gained many new fans with her photos in the Oct. '10 issue.

Kountry Gal and Bessi, too. They're hot! By the way, whatever happened to Sandra Simms and Angel?–J.T., Abington, Pennsylvania

Dear J.T.,

If it's Angel Sin you are asking about, she has more photo sets that will be featured in an upcoming issue. And Sandra Simms has retired from modeling as far as we are aware.

Hillary Is Hooterific

Dear *XL Girls*,

Thanks for putting Hillary Hooterz in your magazine. I first saw her in *Voluptuous* and was wondering if or when she would appear in *XL*. Personally I think she is better suited for *XL*. She is a real cutie. I jacked off until I had run out of cum looking at her pictures, especially the lovely one of her gaping butthole. I wish she would have taken off her top sooner. Us readers of *XL* want to see your models completely nude. The girls have no reason to be ashamed of their bodies, especially a girl like Hillary. I think she is totally perfect the way she is. Please tell them to not be afraid to show their bellies. We want to see it! But either way I was very happy to see Hillary in your magazine.–A.S., Gastonia, North Carolina

Big Love

Dear *XL Girls*,

I would love to see Veronica's shaved slit get fucked on camera. I really want to see much more of Jade Parker, Renee Ross, Lilli Blue, Tatiana Blair, Brianna Falcone, Tereza, Peaches La Rue and Shugar. They make me very hungry and horny. Nikki Cars, Hillary Hooterz and Anna Kay, too. The plumpers I really enjoy are from 4'10" to 5'9" and anywhere between 170 to 300 pounds. Hairy or shaved, it really doesn't matter to me. Also, can you get any black BBWs in your magazine?–V.L., Philadelphia, Pennsylvania

Plump Pointers

Dear *XL Girls*,

You asked for feedback. Here's mine: jumbos, of course. I want to see heavy timbers with big legs and calves. Skinny legs look out of proportion on a big woman. I also want to see hair. A pussy should look like Fidel Castro chewing a piece of liver. Ass hair is okay. No "gunts." The gut should not obscure the pussy. Cellulite is okay. Cottage cheese is good for you. Put make-up on Cesarean scars, and minimize brown crotch stains.–Anonymous

Large 'n' Lovely Lilli

Dear *XL Girls*,

A beautiful girl is a beautiful girl, but your magazine is *XL Girls*. To me that means extra large, which ought to be self explanatory as to what type

of woman I expect to find inside the magazine when I purchase it. I can't believe this is even open for discussion. Monique, Karla Lane, Lilli Blue, Nikki Cars, Hillary Hooterz…oh yeah baby, bring it on.

I was looking through the Oct. '10 (SP200) issue and was completely enamored with Lilli Blue. I like large forearms on women and she certainly knows how to show hers off! I can't understand why she doesn't wear her wedding ring in the pictures. It's a real turn-on for me. I was glad that Nikki Cars showed her ring off. God bless the husbands of these beautiful, voluptuous vixens for sharing their wives with the readers. But honestly, I didn't do much reading.–H.L., Alberta, Canada

We received an unusual request for Lilli: leave her wedding ring on!

Dear *XL Girls*,

I love a good-looking, kinky lady such as Lilli. In times past Lilli might have been known as a brickhouse broad. All respect to Lilli, I wouldn't mind breaking her record and trying for a 13-hour sex marathon, and even if I couldn't make it, I'm sure we would enjoy trying.–Anonymous

It's All About the Tits

Dear *XL Girls*,

As far as my favorite *XL* body styles go, girls with the most massive tits possible like Shar and Monique have are always in first place. I would

like to see them in each issue. Also, find more super-sized girls with tits like them. Solid second place are the medium big girls with the huge, long hanger tits. Examples would be Maria Moore, Renee Ross, Samantha, Alice Webb, Sapphire, Shugar and Suga Squirtz. These girls and others like them are always hot and a major turn-on. Last place would be big girls with (in proportion) only average-sized tits. Please keep the tit sizes way up–bigger and longer tits are always the best kinds.

I loved the *K-jugs* review and the full-page shot of Renee Ross in hands-off self-suck mode. It was a perfect example for all your models. I think you should require all your girls to do hands-off self-suck tit shots.

Also I would love to see you produce an *XL Girls* catfight series on DVD or in a website. I think it would be the first of its type and be a big seller. Have it totally tit-focused. The girls pick a fight with each other's tits and attack them in various ways–slap, tug, play bite, shake by the nipple, lift to drop, etc. Also have them chase each other outside for some tit-flopping running action. Also have them spit on each others' tits a lot during the fight action for extra drama.–B., Las Vegas, Nevada

Peaches and Shugar Go Great Together

Dear *XL Girls*,

Thank you for the three-way pictorial of Peaches and Shugar in the Oct. '10 (SP200) issue. They are two of my favorite BBWs ever. It's been a while since I've seen Peaches in your magazine. The last I saw of her was in her interview, and it was very entertaining. (The interviews are my personal favorite.) Shugar also had an interview a while back, and she sounds like a lot of fun. Together, these two ladies are sexual dynamite.

My only request is that you shoot them again in a three-way (or just regular boy-girl hardcore with either model) with much messier food. Something with gravy and mashed potatoes, or spaghetti. You need something salty to balance out all the sweetness of Peaches and Shugar!–R.W., via email

More Scale-Tippers and Winking Starfish

Dear *XL Girls*,

Thank you for creating such a great magazine. I really appreciate your professional photography. Your photographers really know how to match the background with the models. However, there are a few changes I would like to see. I would like to see more models over 350 pounds. I would like to see more anus close-ups. I don't use computers so please don't get rid of your magazine and go strictly online.

Juicy Peaches and sweet Shugar are all you need for dessert.

Where did those DVDs go in your magazines? Keep up the great work on those movies with plots.–F., Springfield, Massachusetts

Dear F.,

You can browse the DVD Club ad for many of our DVDs on page 98, and order them on page 9.

Face-Sitting

Dear *XL Girls*,

I'm a big fan of big, beautiful women. The bigger, the better. I love Angel, Devin, Nikki and all big women. I love the *Feed Her Fuck Her* series. Keep bringing the big women, all of them. I don't know if you will take DVD ideas but I have one. I would love to see big women riding

Taylor's Transformation

Dear *XL Girls*,

As I was writing this letter I took a quick peek at the letters that were sent in to see what other people had to say. My lord, I was in for the shock of my life. Please tell me that is not Taylor Stevens. Skinny is okay–not knocking it at all. My brothers and my father like them skinny. I myself like them the size of Monique. Now back to Taylor Stevens. She can do whatever she pleases, but if you ask me, when she was in *XL* mag it was all her and no one but her in my mind. She was my cup of coffee in the morning and I don't drink coffee! When she came in third place in the Model of the Year contest I felt that she was second to none. But that's just my way of seeing things. And I wish Taylor the best in life.–A.W., Burnsville, Minnesota

Readers want to see more girls the size of Monique in our magazine.

Oct. '10 Favorites

Dear *XL Girls*,

The Oct. '10 issue (SP200) was super awesome! The large women that are featured in *XL Girls* are always top notch!

My favorites for this issue were Tereza and Nikki Cars.

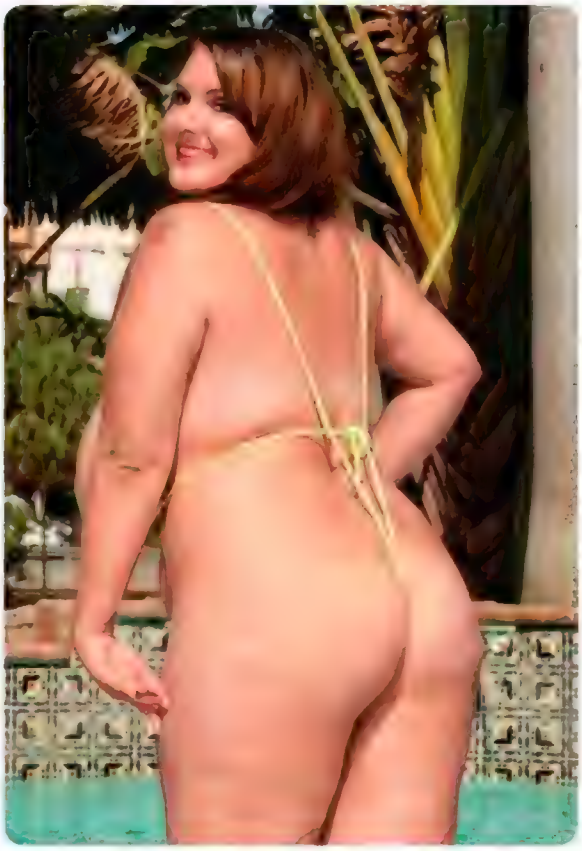
CHARLIE COOPER



Charlie is the stacked girl-next-door.

In her free time she enjoys reading, watching TV and spending time with her two pitbulls. She's a nurse and works in a retirement home. "I'm just a simple girl. I like to look nice, but I wouldn't say I'm that much of a girly-girl. I'll wear a little makeup for a special occasion, but otherwise I just like to look natural. And I like to dress comfortably. But when I go out I do try to dress stylish with a sexy edge in form-fitting shirts and dresses."

"I like nice guys who know how to treat a lady."

Charlie's very horny and sexual, but likes to keep things simple.

"I do like to masturbate, but I don't do anything extravagent. I have a couple of toys that I use on rotation–regular dildos and vibrators. And of course, my hand," Charlie told us. According to her, she has a healthy sexual appetite and tries to have sex as often as possible. "My kinkiest experience was going to a swingers' club. It was a lot of fun, but not something I would want to do every weekend. Most of the time I'm content to have sex at home. I'll spice it up every now and then by trying something new, but as long as I'm with someone who knows how to get me off, I'm happy. To me, a man's skill and passion are what make sex exciting."

Charlie likes to take care of her men.

"I'm a nurturer by nature," she said. "That's probably why I'm a nurse. I'm always taking care of everyone. When I'm with a guy, I like to pamper him as long as he treats me nice and with respect. I love giving massages and back rubs with oil. I also love to make a man feel like he's a king by giving him a long, slow blow job. He doesn't even have to return the favor. It's enough of a turn-on for me to be able to do that for him. I enjoy giving tit-jobs too because I can tell that the guys really like it, especially with my big tits."

XL DEBUT

KENDRA GRACE

A FREAKY SCORPIO WHO HASN'T DONE IT ALL, BUT REALLY WANTS TO!

XL Girls: Hey, Kendra. Welcome to our studio. I hope you like talking about sex because that's what the majority of this interview will be about!
Kendra: I love sex, and I love talking about it, so we should be good!
XL Girls: Great! So how long have you been modeling for?
Kendra: Two years.
XL Girls: And how did you end up at The SCORE Group?
Kendra: This guy I was talking to on the phone told me that I should apply to be a model, and that I would totally get in. So I did. I sent in my photos like at 12:30 a.m. and you guys called me the very next day!
XL Girls: We didn't want to miss out

"THE MORE I PULLED ON THOSE MOORING LINES THE BIGGER MY BOOBS GOT."

on those boobs. Now, you mentioned that you were talking to his guy on the phone. Did you know him?

Kendra: I never met him in person. A mutual friend just hooked us up over the phone. And I guess she told him that my videos were hot and that's how we ended up talking.

XL Girls: Tell us the truth, did you have phone sex with this guy?

Kendra: [*Laughs*] No, I didn't have phone sex with him. But I have had phone sex with other people before.

XL Girls: Can you give us an example of the dirty things you would say while having phone sex?

Kendra: Probably something along the lines of, "Oh baby, I wish I could have your big, hard cock in my mouth right now. I'm touching myself just thinking about you fucking me and tasting your cum."

XL Girls: That's pretty hot. And do you actually masturbate while you're saying these things?

Kendra: If I'm not masturbating at the moment, I will end up doing it by the end of the conversation.

XL Girls: Awesome! But now back to the basics. How did you get started with adult modeling?

Kendra: Well to make a long story kind of short, I got into some trouble in Las Vegas and I was on house arrest, and I needed to pay for it. So I started doing porn.

XL Girls: That's crazy. Are you originally from Las Vegas?

Kendra: No, I'm from Detroit.

XL Girls: So are you glad you decided to do porn to help pay your fees?

Kendra: I wouldn't still be here if I wasn't. To be honest, that mess I got in out in Vegas was a blessing in disguise. Even though it was a big hassle, it led me to this path. And I love my life now. If I wouldn't have gotten in trouble I wouldn't be here.

XL Girls: Well, that's good!

Kendra: In a weird way it is.

XL Girls: So what is your bra size?

Kendra: 40FF.

XL Girls: When did you start getting your boobs?

Kendra: When I was 19.

XL Girls: Really? That's surprising because most girls tell us that they started developing early.

Kendra: Yeah, I was kind of a late bloomer in that sense. I got boobs all of a sudden at 19. I was in the Navy, and we had gone out on a cruise. When I got back I was given mooring line duty. And it just seemed like the more I pulled on those mooring lines the bigger my boobs got.

XL Girls: What was your bra size before your boobs grew?

Kendra: Like a 34C. They weren't super tiny but they weren't huge like they are now.

XL Girls: So they blew up. Where you like, 'What's going on here?'

Kendra: [*Laughs*] I thought I had some kind of hormone problem. They were getting so big so fast. And they haven't stopped growing. I even went to the doctor, but he told me nothing

"I JUST RANDOMLY GOT THESE BIG BOOBS AS A 19 YEAR OLD. I GUESS I'M JUST LUCKY."

was wrong with me. I just randomly got these big boobs as a 19 year old. I guess I'm just lucky.

XL Girls: How much do they grow in a year?

Kendra: They probably grow like a cup size a year. Two years ago I was a 38DD and now I'm a 40FF–all natural.

XL Girls: So when your boobs first started their growth spurt, did people think they were fake? What reaction did you get from having these big boobs pretty much out of nowhere?

Kendra: They were like, "Wow! Did you get a lift? Did you get implants? What'd you do this summer?" I'd tell them that I didn't do anything but a lot of the time they wouldn't believe me. Then they'd ask me if they could feel them to see if they were real, but that didn't work with me.

XL Girls: So you noticed you were getting more attention from guys when your boobs grew?

Kendra: Yes, defintely.

XL Girls: Was that a good thing?

Kendra: Yes, I loved the attention. Anything that makes the guys smile makes me happy. And the guys I dated really liked them a lot, so everyone was happy.

XL Girls: Have you ever used your boobs to get out of trouble or get something free or anything like that?

Kendra: No, I've never really used them for my advantage in that sense. I'm a nice girl.

XL Girls: Maybe that's because your boobs weren't quite as large before, so it never occured to you. It's still pretty crazy that your boobs grew like that.

Kendra: I know. Things like that are usually hereditary, but my mom wears an A-cup.

XL Girls: Do you go out with a lot of boob fanatics?

Kendra: Yes, I do.

XL Girls: Are they big on tit-fucking?

Kendra: They're huge on the tit-fucking. My tits are one of the first things they notice about me, and they're always staring at them. They love to fondle my breasts and suck on them. At a moment's notice they're down to let me expose myself. They love it when I wear clothes that show off my cleavage. They're all about the boobs.

XL Girls: Well since you didn't have big boobs before, had you ever titty-fucked?

Kendra: That was actually one of my first sexual experiences with a man–titty fucking. We didn't have intercourse though. Even though I wasn't that big I still did the titty-fucking. But I felt like my chest was going to collapse. From that experience I must've developed some muscles underneath my boobs that support my tits and make it so easy for me to tit-fuck now. Because now it's totally natural for me.

XL Girls: So you enjoy tit-fucking?

Kendra: I do.

XL Girls: What do you like about it?

Kendra: I like making the guy happy and seeing the look of satisfaction on his face as he titty-fucks me. I like the feeling of his cock pumping between my tits.

XL Girls: I think I know the answer to this, but I'm going to ask anyway. Would you rather give head or get head?

Kendra: Give, definitely. I'm definitely orally fixated. I'm into cum guzzling. I like getting it in the back of my throat and gargling it. That kind of stuff.

XL Girls: Ah, I was right! I knew you were a giver. So do you blow bubbles with it?

Kendra: I can. I like to swish it around in my mouth. I can drink shot glass after shot glass of cum. I just love the taste and consistency of it. I find it very sexy.

XL Girls: Does it upset your stomach?

Kendra: Not at all. And it makes my skin look really nice, too.

XL Girls: You put it on your skin?

Kendra: Well, how many times do you think I've had my face busted on? Enough to know that cum really does wonders for your skin! I recommend it to my friends.

XL Girls: Do you like, rub it in and leave it on?

Kendra: [*Laughs*] Yeah, it's like an all-natural protein shake for the skin. It gets it nice and plump and smooth.

XL Girls: So we know that you like giving head, and that you like cum a lot. Do you feel the same way about going down on a girl? Or do you only like giving head to men?

Kendra: Oh, I love girls. I love the way they look, they way they smell, the way the feel. The way they taste. Everything! Going down on them is obviously a completely different experience. It can be more intimate depending

on the girl. And there's a lot more tongue-work involved with going down on a girl.

XL Girls: Is it safe to assume that you've had a lot of sexual experiences with women?

Kendra: Before I had sex for the first time with a boy I had probably been with 25 girls.

XL Girls: Whoa. Really?

Kendra: Yes. I was never in a relationship with them. I just had pure unadulterated fun with girls when I was in the Navy. I have a girlfriend now, and she lives in Dallas and she's a model. She's great. She has the best tasting pussy. That's why she's my girlfriend.

XL Girls: Do you have a boyfriend, Kendra?

Kendra: [*Laughs*] No, I don't have a boyfriend, I actually have a husband.

XL Girls: Are you and your husband swingers?

Kendra: No.

XL Girls: Well obviously he's okay with you coming here to shoot. Do you two have an open relationship?

Kendra: Yes, we do. As long as we stay honest with each other everything is fine. We're both on the same page as far as our feelings about having an open relationship so it works out great for us.

XL Girls: Have you ever had a three-way with your husband?

Kendra: No, never. We do our own things separately. But like I said, as long as we're both honest it's fine. Neither of us has anything to hide so there's no reason to lie.

XL Girls: Okay, well have you ever been in a three-way at all?

Kendra: No, I haven't.

XL Girls: So when you fooled around with girls it was always just you and the one girl?

Kendra: Yes. Someday I'd like to try all that stuff. I'm open to expanding my horizons.

XL Girls: Well yeah. You are working in porn so you never know what could happen to you next.

Kendra: That's true. And that's one of the great things about working in this business. It's full of surprises. And I feel like I'm just getting started.

"I CAN DRINK SHOT GLASS AFTER SHOT GLASS OF CUM."

XL Girls: That it is. Now I want to ask you about your masturbating habits. Do you like to masturbate a lot?

Kendra: Yes, I masturbate quite a bit, especially when I'm fresh out of the shower after I've shaved my pussy. I love playing with it when it's smooth.

XL Girls: Do you have a favorite dildo or vibrator or are you more of a hands-on type of girl?

Kendra: I don't have a particular favorite toy, but any toy will do. But I always use my right hand and middle finger to play with my clit.

XL Girls: Some girls say their hands and fingers don't do much for them.

Kendra: Oh, no. My hand gets the job

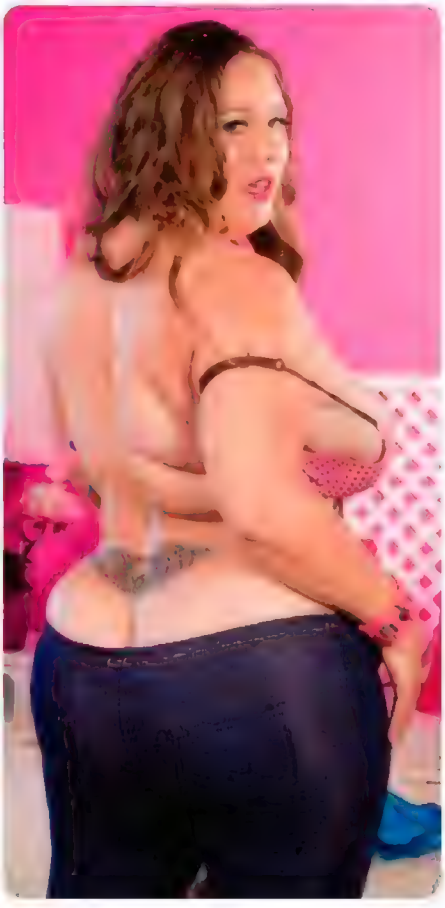
ANALEE SANDS



Miss Analee Sands has many assets.

A pretty face, F-cup boobs, sexy curves, a kinky disposition and a huge, juicy butt. "I love my big boobs, but I really love my big butt. I'm a big girl, but I'm not afraid to go out in booty shorts. I love the way they make my ass look. But I have one rule when it comes to dressing sexy: I'm either showing off my boobs, or I'm showing off my butt and legs, but not both at the same time. If I did, I think the church people might run me out of town!"

She also has an unusual fetish.

When it comes to fetishes and fantasies, we've heard a lot of stuff. Most of it is your standard fare–spanking, bondage, sex in public. And some of it is a bit more on the extreme side. We wouldn't say that Analee's fetish falls into either categories. What she likes is truly unique. "I love CMNF. That stands for Clothed Man Nude Female. Having sex with a man while I'm completely naked and he's fully clothed is very erotic to me. And I think it's super hot if he's wearing a suit. What turns me on about it is that in a way the man has the upper hand, while I'm more vulnerable being naked."

What else is unusual? Her first sexual experience.

Analee doesn't mind fooling around with other women. But at the end of the day she says there's nothing she wants more than cock. However, her first time fooling around with someone was with a girl. A German exchange student. "We were on a camping trip and we shared a tent. She was tall, skinny and blonde, and she really liked me! I'd never thought about fooling around with a girl, but she kissed me and it just went from there. There was a lot of petting and licking. Now whenever I go camping I always remember that time."

done faster than anything else. And I have really good orgasms using my hand, too. So it's probably my favorite way to get myself off. I can get it done in like 45 seconds.

XL Girls: Oh, wow. You're good.

Kendra: Yeah, my clit is very sensitive so I can cum fast.

XL Girls: Do you think all your experience with women helped you to learn how to work a pussy better?

Kendra: Oh, definitely.

XL Girls: So when you go out, do you like to dress revealing and show off your cleavage?

Kendra: I do show cleavage and mostly I either go conservative casual or very sporty. But either way there's always cleavage showing.

XL Girls: Do you ever not wear a bra?

Kendra: Very seldom do I not wear a bra just because my boobs are so big. No matter what shirt I wear there's no way I could hide these great big boobs. People are still going to look.

XL Girls: Have you ever had an accident where your boobs popped out?

Kendra: No, they're pretty well contained. And always wearing a bra helps keep them under control.

XL Girls: Okay, well what's the kinkiest thing you've ever done?

Kendra: The kinkiest thing I've ever done is probably having sex on film. Oh, and probably this time that I had sex on my Navy ship in the barber shop with a fellow sailor. There wasn't anyone around and we snuck in there and got it on all over the place.

XL Girls: That sounds like it was fun. So speaking of kinky things, are you into anal at all?

Kendra: I have not…yet.

XL Girls: Yet? Is it something that you want to try?

Kendra: Yes…maybe even tomorrow!

XL Girls: So you might be doing anal for the first time with us tomorrow?

Kendra: I might. I'll have to see how I feel about it tomorrow. I'll sit on some toys tonight and see how that turns out for me.

XL Girls: That would be awesome. We love it when girls give up their anal cherry for us.

Kendra: And I didn't think I had any cherries left to pop.

XL Girls: Are you into butt-play at all?

Kendra: I am some. I like licking and a little bit of finger. It just depends on what my partner brings out in me.

XL Girls: Has a partner ever gotten you to have sex in public?

Kendra: I would love to have sex in public. But I haven't tried it. I'm not trying to go to jail.

XL Girls: Is there anything else you'd like to try that you haven't?

Kendra: I'd like to try anal, I'd like to try threesomes. I would like to try DP. Man, there's still so much to try. Even though I've been modeling for a while I'm still kind of new to a lot of this.

XL Girls: Wait, so how long ago did you start having sex? When did you lose your virginity?

Kendra: I lost my virginity when I was 22 years old.

XL Girls: That's kind of a late bloomer.

Kendra: Yep.

XL Girls: So you didn't have sex until you had grown big boobs.

Kendra: That's right. I was more shy before that. I think that when I grew boobs I became more confident and open to saying what I wanted. And that's probably why I didn't have sex until I was 22.

XL Girls: So you weren't always quite as open sexually?

Kendra: Well, I think I've always been very in tune with what I wanted sexually, I may just not have always been able to speak up about it. And I am a Scorpio, so you know…

XL Girls: I've heard that Scorpios are freaks when it comes to sex.

Kendra: Yes, we can be pretty freaky. And definitely into wanting more. Once we get a taste of something, that's all we can think of. So I'm really excited for tomorrow's possible anal scene and seeing how that plays out. It should be a lot of fun.

XL Girls: It seems like now you're exploring your sexuality more.

Kendra: Yeah, I am. As I get older there's more I want to try.

XL Girls: And not everyone gets to do that in front of a camera.

Kendra: Yes, and that definitely makes it more exciting.

"I'D LIKE TO TRY ANAL. I'D LIKE TO TRY THREESOMES. I'D LIKE TO TRY DP."

Bailey Santanna in K-JUGS

Meet Bailey Santanna. You might've seen her in the pages of V-mag or on-screen in *K-jugs*. This is her *XL Girls* debut and she's coming in with a bang...literally! This super-hot hardcore pictorial is from *K-jugs*. Bailey is the receptionist and she's star-struck at meeting this big time rock 'n' roller. So like a good fan-girl, she gives up her big tits and pussy to show her appreciation!

TALE OF THE TAPE
Birthday: September 25
Height: 5'4" Weight: 180 lbs.
Measurements: 44-34-38
Bra Size: 36GG
Lives: San Francisco, California
Occupation: Clothing Designer

Bailey doesn't give a hot performance in this scene just because she's a horny groupie. Her desk-top fuckfest is hot because she's just plain horny! "I would tell you what my kinkiest experience was, but I don't think you'd be able to publish it. And anyway, some things are better left to the imagination. Sorry!" Bailey said, despite us begging her for the details. "What I can tell you is that I have so much sex I never even have time to masturbate. And what satisfies me the most is having sex with lots of people, like in gang bangs. I love it when there's cock everywhere."

As you can probably guess, Bailey is pretty assertive when she wants to get some. "I'll wait for the guy to make the first move. I'll wait for like two minutes. Then I'll ask him, 'Hey, wanna fuck?' It always works." As for the kinds of guys that Bailey likes, she's not exactly looking for Mr. Studly. "I like hairy, chubby guys with pot bellies and bald spots. They have to be kinky though. If the guy is vanilla and not looking to change that, I'd probably freak him out with some of the things I like to do. Kinky is a must!"

A babe as kinky as Bailey also naturally likes to get it on with women. But Bailey isn't going to just bang any chick. "If you want to be my special female friend, you have to go through tryouts. Like, first and most importantly, she has to be cool and smart. If I like her personality, then I have to see if she's a good kisser. If we make-out and my pussy gets wet, then she's passed that part of the tryout. Next is how good she eats pussy. She has to be good at that, 'cause if she's not then what's the point of fucking her? Finally she has to be able to make me cum hard with a strap-on."

JULIA JUGGS

Julia is kind of out there, and we love it!

We love a girl who stands out from the crowd, not just because of her pretty face or ample rack, but because of her personality and interests. Julia is that kind of girl. She's a burlesque dancer. She likes anime porn (also known as hentai), nipple clamps, role playing, tickling fetishes and roller derby. Julia also says she likes "dominant alpha males"–guys who can handle her wild ways. "One time a man made me sit blindfolded, and he made me ask permission for any sexual satisfiaction. I was spanked if I didn't listen. But when I was good I got a nice dicking. That's how I like to be fucked."

And not that this is out of the ordinary, but Julia likes to stick things in her butt.

Julia has a message to all the women out there who refuse to try anal: "Get over it! Anal is great. Once you relax and open your mind to the experience, it will blow you away. You just have to make sure you do it with the right person. I think all women should try getting fucked in the ass at least once. When I masturbate I almost always stick a toy in my ass. The orgasm I get from anal stimulation is unlike anything else. And if you're rubbing your clit and you have a toy or a dick in your ass–oh my god. Be careful, you might explode!"

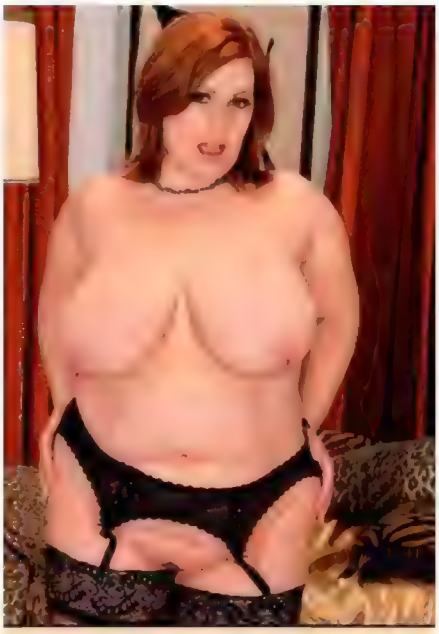
I would enjoy having Tereza suck my cock and swallow my load. I would want to titty-fuck her and cum all over her beautiful 40DDD tits. Her ass…oh my god! It looks so tasty. I just want to rub my cock between her ass cheeks and cum all over that big, beautiful ass of hers. Then I would use the cum as lube and see how far my cock can go into her asshole before I cum again! You definitely need to bring Tereza back real soon!



Nikki Cars finally made her magazine debut in the Oct. '10 issue.

It was awesome to finally see Nikki Cars in her *XL Girls* debut. I was wondering when I'd see her in your mag. I have the movie *Super Sized Rides* and she is great in it. Her pictorial is awesome. I want to fuck her mouth, tits, pussy and ass. I hope this is not the last we see of her in *XL Girls!*

I do have one complaint. There is a question on page 7 of this issue. "How big do you like your *XL Girls*?" In my opinion *XL Girls* should feature plumpers of all sizes! *XL Girls* is spectacular at showcasing the full range of plump women. That should not change…ever!

Keep up the awesome work that you all do and keep bringing the awesome all stacked, all plump, all natural women that you do!–L.H., Hyde Park, New York

DANIELLA GREY

You don't need any breaks on these curves.

Although a fair warning: Daniella's body might just send you over the edge. But in this case, that's a good thing. "I love a good massage. I'm very sensitive to being touched, and the more a guy rubs and touches my body, the hornier I get." Well, that's very convenient. Because the more guys touch her body, the hornier they get! And this short hottie is packing enough tits and hips to keep you touching and rubbing (and hopefully a lot more) for a very long time.

This isn't the first time Daniella has been nude in front of cameras.

Her first on-camera fuck was pure amateur hotness. "It was a few years ago. A girlfriend and I went out with a mutual guy friend of ours. We were having a good time and one thing led to another. Eventually we ended up in the parking lot of a warehouse. The guy had a pickup truck, and we all got in the back and ended up having a threesome there. It was right in front of a security camera, too. I'm sure the security guys were pleasantly surprised when they watched the tape the next day."

"I have to wear a bra because my boobs have a mind of their own."

Short stacked girls are one of our favorite types of titters. Maybe it's because their short stature makes their tits look even bigger. At only 5'1", Daniella is carrying around a lot of tit-meat for being so small. "I used to not wear a bra when I would go out, but I learned my lesson the hard way. I couldn't tell you how many times my boobs fell out of my shirt when I would bend over. Now I always keep my girls contained. It's not so bad though. With a push-up bra I can still show them off and not worry about flashing everyone."

Nikki's Debut

Dear *XL Girls*,

I'd like to ride Nikki Cars. She is super hot. Great body, nice rack and beautiful face. I have seen her in some of your DVDs and always liked her, but she looks like she has gotten even more attractive in the pictorial you ran of her in Oct. '10 (SP200). Please feature more of her. That pictorial gave me a new appreciation for her. In fact, I even ordered *Feed Her, Fuck Her 3* so I can watch her in action. I can't wait to get it and jerk my cock off to her hot body.

Her plump ass and dark pussy lips really did it for me. Her layout was the best one in the whole issue. Not to say that the other ladies weren't hot as well. Nikki's photos were just classy and erotic at the same time.–C.S., Austin, Texas

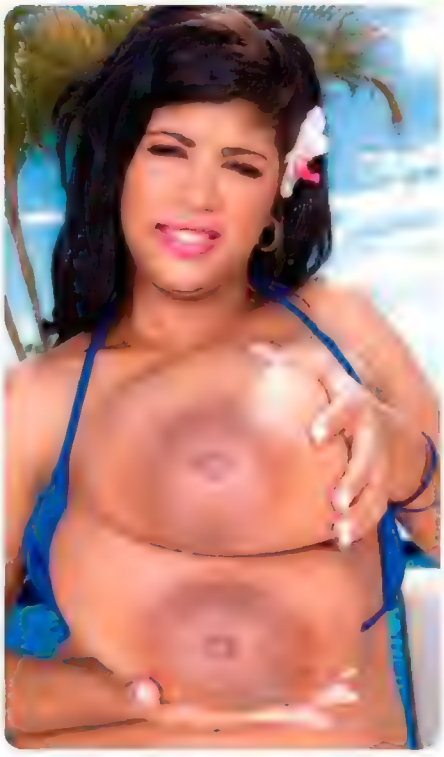
Tereza looks sweet, but she loves it when men cum inside her pussy.

KRISTINA MILAN



Newcomer Kristina has some of the biggest tits we have ever seen!

And considering the bra-busters we've seen over the years, that's saying a lot. Kristina has the biggest tits in this whole issue. She has the kind of tits that make you stare even though you're very aware of the fact that you're being rude. You just can't stop. We like to call this the magnetic mam effect. It's when a pair of enormous tits nearly pulls your eyes out of their sockets like they have some kind of powerful magnetic force. It doesn't always happen, only when the tits are as huge and lovely as Kristina's massive hangers.

Hold on to your eyeballs, but feel free to let go of that load!

We don't promote the destruction of our magazines. But we're well aware that some of our readers like to release their loads on the pages that have their favorite models. If you're jacking right now, there isn't a photo more perfect than the one above to release your load on. Kristina's jugs look huge and rotund. Her cleavage is glistening, and her expression says, "Yes, give me your hot cum." Go ahead. We give you our blessing to spray this page. In fact, it would be a shame to big boobs not to.

So what about Kristina?

She's from the Dominican Republic and only speaks Spanish. Fortunately our photographer is fluent in Spanish. "People say that you can see my tits coming before you see me. I'm very proud of them. I consider them a gift. Men have told me that when I use my tits to jack them off that it feels better than most pussies. When I have sex, men love for me to get on top and let my boobs hang in their face."

SUPER PLUMPERS

THE BIGGEST AND THE BEST

WONDER TRACY

SP164

For the man who loves big, yummy chubbies.

We asked readers how big they like their *XL Girls*, and the response was overwhelming. *Everyone* said they wanted the biggest babes possible. So we've gathered our largest lovies together in this special. These women are the plumpest of the plump. The crème de la crème of BBWs. There were many requests for Kountry Gal, Monique and others, so here they are, along with other big babes.

Big butts, big bellies and especially big boobs are what guys want!

Every curvy inch of these women's bodies is delectable. Luna's meaty thighs look great. Bessi's tummy is soft and inviting, and so is her pussy. Kandi is a blonde bombshell and overall hottie. Simone's big ass is so juicy, and she loves it when men slap her booty while they fuck. Laura Bailey's oiled mounds have made her a reader favorite. She received tons of support after telling us how her fiance wanted her to lose weight. And Monique has the kind of body you could get lost in for days and love every second of it.

ANNA KAY

FIND OUT HOW ANNA WENT FROM BASHFUL TO BUSTING OUT!

XL Girls: It's great to have you back, Anna. How are you doing today?
Anna Kay: Thank you! I'm great.
XL Girls: Why don't you start off by telling us where you're from?
Anna Kay: I lived in Atlanta for a while, but right now I live in Indiana.
XL Girls: How did you hear about us?
Anna Kay: A friend of mine told me about you guys. His fiance was actually modelling, and they both said I would be great for your magazines.
XL Girls: What's your bra size?
Anna Kay: 44F.
XL Girls: Is that something that's important to the guys you date?
Anna Kay: They don't tell me that it is, but I think everybody loves my boobs. Guys like to pay a lot of attention to them.
XL Girls: Well everyone does love a pair of big boobs. What's the history of yours? When did you start developing and all that good stuff?
Anna Kay: I started developing pretty young. I passed the training bra stage and went straight to a B-cup. That was probably in the fourth or fifth grade. And I'm very athletic so in junior high and high school I played basketball and my boobs were bouncing more than the ball! I was getting embarrassed so I stopped playing sports. I felt like the attention was more on my boobs than on the sports.
XL Girls: Did you get teased for having big boobs?
Anna Kay: Yeah, everyone at school called me double bubbles.
XL Girls: I'm not going to lie. That's kind of funny.
Anna Kay: It is funny. It's cute.
XL Girls: Did you show them off?
Anna Kay: No, I didn't. I was very self-conscious about them so I kept them covered up.
XL Girls: So when did you start to like your big breasts?
Anna Kay: I'd always been on and off about it, but I guess it happened when I realized that there are people out there who like them, that they're not a bad thing, that they're nothing to be ashamed of. I started to feel more comfortable about them. And I would get so many compliments. And now I love to be nude, and I'm not ashamed of them anymore.
XL Girls: That's good, or else you wouldn't be here!
Anna Kay: That's true, and I'm very glad to be here.
XL Girls: Do you think guys ever pay too much attention to your boobs?
Anna Kay: I never give anyone the opportunity to do that. I tell them that the rest of me needs attention, too, and they can't just get stuck on my boobs. I'm straight-forward. I'll tell a guy that he needs to fuck me.
XL Girls: That's good to know.
Anna Kay: Yes, I'm definitely not shy when it comes to sex.
XL Girls: You're here to shoot in the movie *More To Fuck*. How's it been going so far?
Anna Kay: This is the first feature film I've been in, and oh my gosh, it's awesome. I've had a blast. I've met five other beautiful, big-breasted women and we've all been getting along great. They come from all different parts of the United States, and they have great personalities. I was a little nervous at first, but today was probably my favorite day shooting so far. The other girls made it a lot of fun for me.
XL Girls: This is a reality-based movie, so was it hard at all for you not really having much of a script or lines to work with?
Anna Kay: Not really. I think everyone just went with the flow and what we were feeling. And we just did what we felt was going to turn each other on, and it worked out just fine.
XL Girls: What was your character like in the movie?
Anna Kay: I was one of the women

"I PLAYED BASKETBALL AND MY BOOBS WERE BOUNCING MORE THAN THE BALL!"

who was competing for the affection of a bachelor. It was like a reality dating show, and we were the contestants and we were doing what we could to win him over. I was just one of the girls who was trying to get his attention.

XL Girls: What were some of the things you did to get his attention?

Anna Kay: I gave him lap dances. I pulled him away from the other girls–that was pretty aggressive. I

was showing off my boobs and putting oil on them while I was in a little bikini that he gave us. I had to do whatever it took.

XL Girls: Is that something you would do in real life?

Anna Kay: If I was in that same situation on a TV show then yeah, probably. But honestly, this has been a really fun experience because I don't really approach men.

XL Girls: You let them come to you?

Anna Kay: Yeah. If I think a guy is cute, I'll tell him he's cute. But I don't tell him that to try to hook up with him. I just tell him that he's cute or handsome or whatever because I want to and I'm being honest. I do the same thing with women. If they're beautiful, I'll tell them.

XL Girls: Do you like women?

Anna Kay: I think women are beautiful. I like a woman's figure–they come in all different shapes and sizes. I haven't experienced them personally though, but I'd like to try.

XL Girls: What do you think has held you back from trying?

Anna Kay: I'm not sure if I'm scared that I won't really like it. Because I want to like it. And if it doesn't turn out the way I expected I'd be disappointed. But I'm still intrigued, and as I'm getting older I'm curious about it.

XL Girls: Do you consider yourself a sexually open person?

Anna Kay: In a lot of ways I've been conservative about sex, but as I get older I find that I want to try new things. I get bored very easily, so I've been wanting to do things that are out of norm more and more. I don't like just the same old wham-bam every time. I need to spice it up.

XL Girls: What are some of the kinkier things that you've tried?

Anna Kay: I've done anal. My fantasy is to have sex with two bisexual men. I've never been with two men before, and if I'm going to do it I don't want just two regular guys. Everybody tells me I'm crazy, but it's what I like. There are some other things that are kind of far-fetched and when I tell people it freaks them out, so maybe I shouldn't tell you that [*laughs*]. But if I'm with someone in my personal life and I trust them and I'm completely comfortable with them, then I have the potential to be a total freak.

XL Girls: Ok, so let's stick to anal then. How much do you like it?

Anna Kay: I like it, but I haven't done it in a long time. It has to be with the right guy, and he has to do it right. If he does it right then it can feel great. But it's a process. I need a lot of warming up. My booty is too tight.

XL Girls: So you've never had a threeway before?

Anna Kay: I have with another girl, but it wasn't the best experience. If I was going to do it again it would have to be with someone that I met and got to know and made sure that she was cool and on the same level as me.

XL Girls: So the threesome was with a guy and a girl?

Anna Kay: Yes.

XL Girls: Why wasn't it good?

Anna Kay: I didn't really interact with the girl too much. She was just too boring. And on top of it she got jealous. I don't have time for drama like that. Either we're going to have fun or we're not. Just know what you're getting into, and don't get mad at me

"IF I'M WITH SOMEONE...I HAVE THE POTENTIAL TO BE A TOTAL FREAK."

"I LIKE THE GUY TO TAKE CONTROL. I LIKE TO BE BLIND-FOLDED AND CUFFED."

after the fact.

XL Girls: Well, that sucks that the experience didn't work out.

Anna Kay: Yeah, but there's always next time.

XL Girls: Are you sexually dominant?

Anna Kay: I think I'm more passive. I like the guy to take control. I like to be blind-folded and cuffed. Sometimes I like the guy to be rough, sometimes passionate. I like different things, not just the same old same old.

XL Girls: Is there anything you haven't tried that you want to?

Anna Kay: Well there's the three-way with two bi guys, but I can't find any candidates. Actually, I found one guy, but I can't seem to find another one. So I have to keep looking. I would also like to join the mile high club. I think it would be really exciting to have sex in an airplane. The only thing is I don't know how it would work in those tiny plane bathrooms.

XL Girls: We're sure you'd find a way to manage it somehow.

Anna Kay: Yeah, probably. I'll let you know if or when I do.

XL Girls: What's a hot button for you that turns you on during sex?

Anna Kay: I really get off on seeing the guy's face, his expression and the noises he makes. If he looks really horny and turned-on, then it turns me on.

XL Girls: Tell us what your favorite position is.

Anna Kay: All of them pretty much. Doggie, missionary, standing-up doggie, scooting down to the end of the bed so my butt is hanging off and the guy is holding my legs.

XL Girls: Is there a type of guy you like?

Anna Kay: I haven't been dating lately, but I like a guy who has a swag about himself and carries himself confidently and knows how to treat a lady in bed. As far as looks go I don't have a particular type. It's more about his personality and attitude and how he approaches me. And we have to have a lot of chemistry in the bedroom and out of it as well.

XL Girls: So I take it that means you like to get head?

Anna Kay: Yes, I love oral. It's the best thing in the world when a guy eats me out the right way. If I ever tell a guy that I don't feel like having sex, that really just means he needs to eat me out first.

XL Girls: Do you like giving head as much as receiving it?

Anna Kay: It's 50-50. If you do a good job I'll make sure you're taken care of.

XL Girls: Do you like to have sex in public?

Anna Kay: I do, but not really in a big crowd. I like to find hiding spots, like in a dark corner, in the woods, off the side of the road.

XL Girls: What's the most public place you've had sex?

Anna Kay: Plenty of places in Atlanta. Parks, parking garages and million dollar homes that I had to sneak into doggie doors to get inside of.

XL Girls: A million dollar home?

Anna Kay: Yes, it was for sale so no one was inside it. It was a beautiful house. We snuck in and fucked all over the place.

XL Girls: That sounds exciting.

Anna Kay: It was. My adrenaline was pumping like crazy.

XL Girls: Let's talk a bit more about your boobs. Is it hard for you to find bras that fit?

Anna Kay: Yeah, it is. I'm very picky about my bras. When I'm out in public I like to show my girls, but I don't like them to be hanging out. So I like a bra that fits right and is comfortable and accentuates them without being trashy or tacky.

XL Girls: Do you have to get your bras specially made?

Anna Kay: I go to a store that makes bras specially for bigger-chested women. I went from a DDD to an F without even realizing it. My bras just stopped fitting. So I went to the mall to get fitted and they told me that I

was a 36DDD but those bras were just not fitting. Three women measured me at that size, but the bras were just not fitting me. So I had to keep on trying on bras until I found one that fit. And that's a 44F.

XL Girls: Is it hard to find pretty bras in that size?

Anna Kay: Yes, definitely. And they don't come in bra and panty sets either. If they do, the panties are huge and way too big for me. So usually I just stick with the bras.

XL Girls: When you have sex, do guys want to have tit-sex a lot?

Anna Kay: Yeah, pretty much. Because a lot of guys haven't had the chance to experience what it's like to have titty-sex with big boobs. Because with little boobs they can kind of rub on them, but they're not going to fit around their dick like a coochie. And they just love the fact that they can do that, that my tits will actually wrap all the way around their cock. And then they just love being able to squirt on your face and your titties.

XL Girls: Do you mind when they cum on your face?

Anna Kay: It depends on the guy. He has to earn the right to do that. I wouldn't let just any guy cum on my face. I'd have to know him well.

XL Girls: What do you like to do for fun in your free time?

Anna Kay: I'm addicted to Xbox. I have this one game that I always play, and I'll stay up till five or six in the morning playing online with my friends. I just get on there and kick some ass. My friends told me I'm going to need to go to rehab for it.

XL Girls: Do you have any other female friends who are as into it as you?

Anna Kay: No. I don't know anyone else who's as into it as I am. I guess that makes me a dork but I'm obsessed with it.

XL Girls: There are a lot of guys who would probably find that a big turn-on. It's kind of a rare thing for a girl to be into video games. It's typically guys who are into it.

Anna Kay: Well that's how it started. A guy I was kind of seeing always played Xbox. So I was like, if I'm going to sit around and watch him play, I'm gonna learn how to play. Then it became a competition between us. And from there I was addicted.

XL Girls: Well to switch it back to sex, do you masturbate a lot?

Anna Kay: I do, 'cause right now in my personal life I've been really busy and I haven't had a chance to interact with somebody.

XL Girls: Do you have a favorite toy?

Anna Kay: My finger, but I do have a big box of toys and I'll bring them out. But I have family at my house all the time so I have to be careful.

XL Girls: Have they ever found anything like a dildo?

Anna Kay: I think they have, but they haven't confronted me, which I'm glad about because I would be so embarrassed. I try to keep them hidden but you know how kids are. They're

nosy, they get into everything.

XL Girls: You mentioned that you're loud in the bedroom…

Anna Kay: Yes, I am.

XL Girls: Have you ever woken up the neighbors by having sex?

Anna Kay: I'm sure I have. But I don't think that it's something they wanted to complain about. I know roommates that have heard me fucking and masturbated to it. They were like, 'Your sex sounds so awesome, I just had to tell you I masturbated to it!'

XL Girls: They confessed?

Anna Kay: Yes!

XL Girls: Was it a guy?

Anna Kay: No, it was a girl.

XL Girls: Wow, that's an accomplishment to get a girl to masturbate to the sound of you having sex.

Anna Kay: I know!

XL Girls: Do you watch any porn?

Anna Kay: I used to, but I haven't too much lately. Again, it's mostly because of having family over. My nephew lives with me now, and I found my magazines in the bathroom. He has his friends over all the time. He's 19, and they all stay over there while I'm gone. So I don't know if they got a hold of them and didn't know what to with them so they left them in the bathroom or what. Or maybe they opened it not thinking I would be in it, but I have not mentioned anything about it. I just don't know what to say about it.

XL Girls: So your family doesn't know that you model?

Anna Kay: The adults and the people older than me do. But the kids–I don't want them to know.

XL Girls: Have you ever been recognized in public?

Anna Kay: No. Especially because if I go out and I'm not dressed up I try to wear a hoodie so that no one recognizes me and they won't be like, 'Oh man she looked like crap.' But no, I haven't had anyone approach me. I do have friends who joined your website to support me and bought magazines.

XL Girls: We're sure they wouldn't think you look like crap.

Anna Kay: I hope not!

XL Girls: No way, our readers love you! But anyway, that's about all the time we have. Is there anything you'd like to say to the readers?

Anna Kay: I love you guys! Thanks for supporting me. Your letters get me through the rough days. XL

about model sizes in your magazine.

I get upset to read other subscribers remarks about the models being too big! There is no such thing. Every woman is beautiful in my opinion, and certainly each of us has our preferences, but I believe at the very least YOUR magazine should include all plus-sizes, without discrimination! I am not as excited to see some of the smaller-sized ones that occasionally sneak into an issue, but it's not as if I don't still enjoy their beauty.

I recall some recent issues had XXL or XXXL sections, which included the largest models available to you. I personally enjoy very, very large women. I would LOVE to see you perhaps offer yet another expansion of the *XL* line. Similarly to how you grew the *XL* line from your *Voluptuous* magazine (another top-notch product of yours), I would love for you to offer an XXL Girls magazine in which you included the largest of the large you could find. Someone like Kountry Gal should be the smallest model in such a product, in my opinion.

Please, please, please! I'd be your first and most loyal subscriber to such an offering.

Currently, I think *XL Girls* magazine is exactly what it was intended to be! It's perfect. I love every single page. I will continue my allegiance to *XL Girls* and relish the thought of another bigger model offering within your product line!

I love 'em large, and man do I appreciate you folks! You ALWAYS blow my mind! Thank you for all you do!–A., via email

Naughty in Norway

Dear *XL Girls*,

In the latest issue of *XL Girls* you requested the readers' opinions on which type of plumpers they wanted in your mag. Well, I am a 36-year-old Norwegian guy who has been reading and jackin' of to *SCORE*, *Voluptuous* and *XL Girls* since these mags were introduced to the Norwegian market. Your mag actually opened up my eyes to all the beautiful, thick, sexy women that exist, and after doing my first thick girl I've never had anyone else other than

thick women. Over the years my taste has evolved from curvy, big-titted women to pleasently plump and mid-sized plumpers. Now I prefer them bigger than ever and I love fucking super-sized BBWs, and of course jacking off to super-sized BBWs like Monique, Glory Foxxx and so on. Of course I hope for more/new super-sized BBWs in your mag!

Anyhow, being a proud admirer of BBWs, plumpers and chubby girls, I have been looking for a possible tattoo with that theme. I finally found it and have been testing it with temporary airbrush tattoos several places on my body. I have not yet decided where to get the permanent one, but I am really enjoying the attention I'm getting wearing the temporary ones…and I am really looking forward to making it permanent. I love my attraction to big women, and I love showing it!

Thank you for opening my eyes to a beautiful world filled with plump and sexy women!

PS. One request please? If my letter should be printed in your mag, please keep my full name I would love to see my name in print in your magazine. Kind regards.–Sten Nordby, Norway

Alice's Potential

Dear *XL Girls*,

When are you going to run another pictorial of Alice Webb? I miss her and her ginormous tits. You should feature her in every issue of *XL Girls*. She is quickly climbing the ranks to be one of my favorite models ever along with Samantha and Sapphire. She is my kind of girl: freckled and big-titted. In addition to seeing her again in solo photos, I hope Alice decides to do hardcore. She has so much potential to be one of the greats! I would love to see how her huge breasts look tit-fucking a cock. Although you'd have to find one very well-endowed fellow to be able to handle that rack. I'd give it a go myself if I could!–B.P., via email

The Bigger, The Better

Dear *XL Girls*,

I enjoyed the Oct. '10 (SP200) issue very much. The nude form of women is welcome. I like women with big bodies, breasts, nipples and vaginas. Samantha, Kelly Kay, Nicole Peters and Romina Lopez are my favorite plump *XL Girls*. But the new women are welcome sights.

The big women I know do not have big breasts. Big breasts and big vaginas are beautiful! I like Brianna's and Tereza's breasts and vaginas. Sienna Hills is sexy. Nikki Cars is beautiful. Hillary Hooterz has beautiful hooters, and I like her vagina. Anna Kay has beautiful breasts, nipples and a beautiful vagina. Lucky Shane!

I hope the next issue is as good and has models Samantha, Nicole Peters, Kelly Kay and others. Thanks.–M.B., McLeansville, North Carolina

Reyna's Tattoo Doesn't Turn Him Off

Dear *XL Girls*,

Wow! What a clean, beautiful, sexy woman Reyna Mae is, and though some men don't like tattoos, I like her tattoo on her tummy. It makes her unique and highlights one of her best features: her sexy belly. I love her gorgeous full figure, and I'm sure she could be a tiger in bed, surely a tiger that I would love to pleasure and make purr!–E. via email

Busty Bachelorette Party

This is how plump, stacked women party when one of their friends is getting married. In this scene from *My Big Plump Wedding*, the girls are throwing Samantha a bachelorette party. With super-busty hotties like Maria Moore, Sapphire, Cassie Blanca, Rose Valentina and Samantha, we don't know who's having more fun–the girls or the male strippers who get to party with them!

Samantha

Cassie Blanca
Rose Valentina
Sapphire

Now you know when five horny big girls with huge tits get together to party that things are going to get wild. And if there are male strippers involved, tops are coming off and panties are dropping. Look at Rose in the picture above. She's having a great time. Sapphire gets so caught up in the excitement that she finds herself sandwiched between Cassie and Maria. Samantha even takes out her boobs for a quick tit-job, but quickly stops and exits because she wants to abstain till her wedding day.

Rose, Sapphire and Cassie all take turns fucking the two male strippers at their party. "Ride that cock nice and hard," Cassie tells Rose as she grinds her pussy on one guy. Rose is the life of the party, sucking one cock while she fucks another. She can't keep them both for herself for too long, though. The other girls need to get their fill, too! Maria Moore is queen of the lezzie action in this scene. "I'm good friends with Sapphire, Rose, Cassie and Samantha. And when all of us get together our tits always come out. They always want to suck on my nipples and go down on me, so who am I to stop them? I enjoy it as much they do."

"This was my first orgy," said Cassie. "It was a great experience. It was also the first time that I'd ever given a blow job with another girl. Rose is a bit younger than me so I was giving her some BJ pointers." The orgy was fun *and* educational! And as it was coming to an end, the guys had to decide which girls would get their loads. With so much tit-flesh they couldn't possibly hose them all down. Rose and Sapphire were the two lucky girls who ended up getting their jugs creamed. "The other girls didn't mind," said Rose.
